Who We Are

Dreamers Productions Inc. is a 501c3 non-profit children's theater organization started in 2022 by a few local musical theater professionals. Our programs provide a safe and welcoming space for students ages 5-18 to experience the joys of theater with the goal of fostering their imaginations and sense of community. We do not have our own theater (yet!) and are so grateful to our community for letting us utilize spaces to fulfill our mission of providing theater opportunities for kids. WELCOME!

Meet Our Founders

Laurie and Carol

Carol Saltzer is a graduate of Lebanon Valley College. She currently teaches private piano and voice lessons in her home and is the Music Director at West Shore Baptist Church. Some of her favorite roles include Maria in *The Sound of Music* and Dolly in *Hello, Dolly!*. Her favorite musical to direct was *Beauty and the Beast*. In the words of Walt Disney, "If you can dream it, you can do it", and so Dreamers Productions began, encouraging children to pursue their passions and giving them opportunities to perform all aspects of Musical Theater!

Laurie Miller Petersen graduated from Northwestern University's acclaimed theatre program after gaining a particular passion for children's theatre and creative drama. She went on to become a stunt performer and coordinator for television and film but after having children went back to her musical theatre and dance roots. Laurie's motivation is to create performance opportunities for children and teens and to instill a lifelong love of theatre.

If you'd like to make a donation, do so here: [Help Support Our Musical Community](#). We also have a few annual fundraisers; stay tuned for more!
