### Board Member Highlight:

## Lauren Broyles

Lauren Broyles is thrilled to be a part of the Dreamers Productions team as their Producer and board member. Working with children again has been a great joy for her after leaving the professional childcare sector after 16 years to stay home with her wonderful son, Aaron. Once it was time to send Aaron off to school, Lauren put the skills she acquired at Millersville University to good use as a copy editor, proofreader, and communications manager. Combining her avid love of theater and her devotion to nurturing children's imaginations, Dreamers has truly been a blessing for Lauren. As the legendary Stephen Sondheim said best: "There are only two worthwhile things to leave behind when you depart this world of ours: children and art."

## Summer Camps at Derry Township Community Center
